

GreenGarage Official Application

Congratulations!! Your shop is committed to maintaining the highest standards in the auto repair industry. Credentials such as an A+ rating with the BBB, ASE Blue Seal of Excellence, and ASA are important to you. By adding the only “NATIONAL” green credential in the automotive repair business you are conveying to your peers and the general public that you are an environmentally responsible shop and engage in environmentally friendly practices as part of your normal business.

To qualify, you must meet these basic standards:

- *Comply with all federal and state environmental guidelines and regulations
- *Recycle oil, antifreeze, oil filters and solvent
- *Reduce waste by reducing use of paper
- *Recycling metal scraps (steel, aluminum, copper)
- *Use recycled products and parts where appropriate

“GreenGarage” shops are evaluated annually for compliance and acceptance. Initial membership fees are \$199 and the annual renewal fee is \$150. Members will be sent renewal applications 60 days before your annual credential expires.
